Video production and language learning?

Welcome again to DIVIS – a European project on how to integrate video production into language classrooms. Quite a few things have happened since our last newsletter and we hope that our news will interest you. The main item is that our online guide has reached its first edited stage and you can find the English version on our web. Translations into Catalan, Dutch, German, Icelandic, Romanian and Spanish are on the way. Please also have a look at our planned events. Let us know if you have further questions or suggestions. We would be happy to hear from you.

Produir vídeos per aprendre llengua!

Benvingut / benvinguda de nou a DIVIS; un projecte europeu sobre com es pot integrar la producció de vídeos a les aules de llengua. Han passat forces coses des de la publicació del darrer full de notícies. Esperem que les nostres novetats t'interessin. El tema més important és el fet que ja hem editat la primera versió de la nostra guia didàctica on-line. De moment només està disponible en anglès però estem treballant en les versions en alemany, castellà, català, islandès, neerlandès i romanès. Et convidem a fer un cop d'ull a la secció d'esdeveniments en perspectiva i t'animem a enviar-nos les preguntes o suggeriments que tinguis. Ens agradaria conèixer la teva opinió sobre allò que fem.

Videoproductie en talenleren?

Welkom opnieuw bij het DIVIS project over videoproductie en talenleren. Er zijn aardig wat interessante dingen gebeurd sinds onze laatste nieuwsbrief. Het belangrijkste is dat de eerste (Engelstalige) versie van de online gids op het web staat en de vertalingen in het Nederlands en de andere projecttalen onderweg zijn. Kijk ook even bij de geplande events en laat ons vooral even weten als u vragen of suggesties hebt. We horen graag van u.

Videoproducție și predarea limbilor străine?

Bun-venit din nou în proiectul nostru DIVIS - despre aceste lucruri este vorba în proiectul nostru european. Doar câteva lucruri, care s-au petrecut de la ultimul nostru newsletter și sperăm că veștile noastre vă vor interesa. Principala veste este ca ghidul nostru online a ajuns la ultimele retușuri de editare și veți putea găsi versiunea în limba engleză pe web. Traducerile în limbile Olandeză, Germană, Spaniolă, Catalană, Română și Islandeză sunt și ele aproape gata. Aruncați o privire, vă rugăm, și pe planificarea evenimentelor noastre. Dați-ne de știre dacă aveți întrebări sau sugestii. Am fi fericiți să avem feed-back-ul dumneavoastră.
